

# **Accountability in California Schools**

**Results for All  
Schools Compared to  
Charter Schools  
2001-2002**

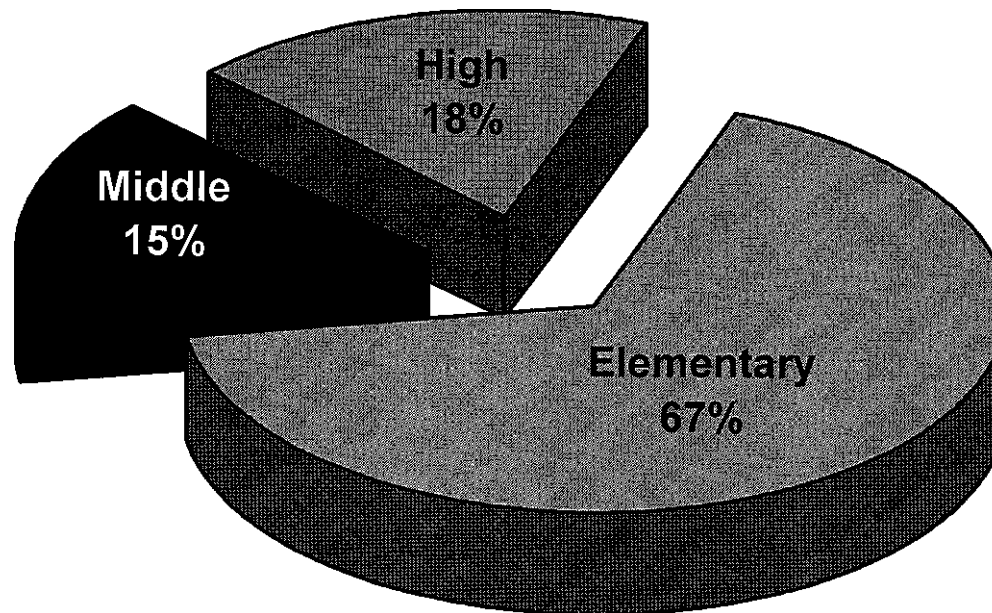

# Academic Performance Index

- API assigned to every school in California
- Defined as the accountability measure by legislation
- Each year establishes a base and a target
- 2001-2002 target results are represented

# API Results

- All California Schools
  - By School Type
    - Elementary
    - Middle
    - High
  - Meeting/Exceeding Targets for 3 years
- Charter Schools
  - By School Type
    - Elementary
    - Middle
    - High
    - Small
  - Meeting/Exceeding Targets for 2001-2002
